# ABOUT US

IVERSE LOGIS is an indigenous logistics and trading company registered in Ghana with its head office in the Greater Accra region. We operate mainly in transport, logistics, machinery, and trading.

Iverse Logis with its dedication to the West African Region, specializes in global transport solutions through strategic partnerships to deliver logistics solutions that meet both local and international standards.

Iverse Logis focuses on delivering quality services to selected clients. We are currently working towards TRACE, ISO 9001:2015, ISO 14001: 2015, ISO 45001: 2018 certifications. We believe in partnering our key customers such as you to deliver the solutions that meet your needs.

At Iverse Logis you will find a strong partner who believes in creating solutions together to your logistics and machinery challenges. We provide our clients and partners with valuable customized solutions in the global energy, mining, marine industries as well as in projects.

## CARGO HANDLING AT ITS BEST

reach stackers for a range of applications including empty containers, laden containers, intermodal handling, barge handling, industrial handling, and more.

## SERVICES

Our services cover a broad spectrum of transport and logistics including Project Cargo Movement, Haulage, Port Services.

# CRANES AND HEAVY LIFT SERVICES

Depending on clients' preference, we provide rentals as well as provide complete lifting, jacking and sliding solutions for materials and machinery up to 600 tons.

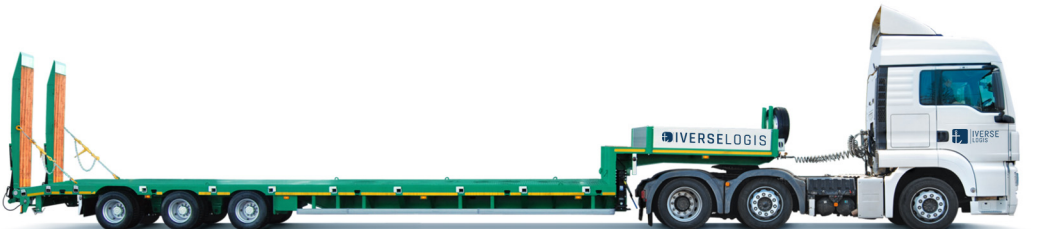

Our lifting equipment includes:

- Reach stackers,
- Crawler Cranes,
- Mobile Cranes,
- Forklifts,
- Telehandlers,
- Cherry Pickers, etc.

# HAULAGE

We pride ourselves in our ability to manage complex projects for our clients across the West African sub region. With our unmatched range and well-maintained fleet of specialized vehicles, we are committed to transporting any cargo safely, professionally and cost-effectively within Ghana and the West African sub region.
